## WF18T8000GV Washing Machine

### Key Features

Power Supply	<b>13 amp plug</b>
Washer Capacity	<b>18kg</b>
Programmes	<b>12</b>
Gross Dimensions	<b>W746 x D898 x H1076mm</b>
Body Finish	<b>Black Caviar</b>
Energy Rating	<b>C</b>
Energy Consumption	<b>76 kWh per 100 cycles</b>
Water Consumption	<b>70 Litres per cycle</b>
Max Spin Speed	<b>1100 RPM</b>
Water Supply	<b>Cold fill only</b>
Hygiene Steam	<b>Obliterate 99.9% of bacteria</b>
Stacking Kit	<b>SKK-ATV/SA (sold separately)</b>
Warranty	<b>2 Years Parts and Labour</b>
Delivery	<b>2-3 working days (Free)</b>

### Ecobubble™ Technology

A brilliantly useful feature designed to make laundry less of a chore. Mixing air, water and detergent it cleverly creates bubbles that wash your clothes at cooler temperatures, helping you to bring down your energy bills.

### Smart Things

With an easy to use control panel, this washer remembers your laundry habits and suggests your favourite cycles first. Want to make things even simpler? Use the Smart Things app to schedule your washes and get guides to find the perfect setting.
